SUSTAINABLE FOOD COURT
INITIATIVE
Vendor Fair

October 22, 2014
Presented by Liza Milagro
What Is BPI?

- Biodegradable Products Institute (BPI)
- Professional association
- Promotes the use, and recycling of biodegradable polymeric materials (via composting).
- The BPI is open to any materials and products that demonstrate (via scientifically proven techniques) that their products are completely biodegradable in approved composting facilities.

ATL Goals

5 Components for Success

• **Education**
  Informing ALL Key Stakeholders eg. Consumers, Generators, Tenants, & Vendors

• **Facilitate**
  Provide tenants with program roll-out assistance

• **Compliance**
  Ensure all ATL tenants have clear instructions pertaining to requirements and expectations- **GreeningATL BPI Compliance Manual** – Include a checklist/summary.

• **Alignment with Sustainable Management Plan (SMP) & ATL Strategic Plan**
  Achieve Zero Waste (90% diversion) by 2020 by sanitizing and organizing of the waste stream in preparation for Green Acres.

• **Celebrate !!!**
Kiosks
Next Steps
